

1<sup>st</sup> September 2010

Dear Fellow Parents,

I would like to congratulate everyone on a fantastic season which to date has been played in good spirit with very few problems or issues from players or parents. Our results this year have been outstanding reflecting the quality of coaches and players that have been involved with the development of players this year. Congratulations to all teams on a great season. Also Congratulations to the 15 teams that finished in the top 4 as per the list below. Out of the 22 junior competitive teams we fielded this year, 12 have finished in the top 4 which is a tremendous result. We also had four teams that just missed the top four including our U11 Div 1 squad that missed out on goal difference after getting equal points with 3<sup>rd</sup> and 4<sup>th</sup>.

Also congratulations to the RSJPL squads who in the first year of participation did exceptionally well with three of the team finishing in the top five, but most importantly we have seen tremendous development with all of the players.

As we now prepare for the semi-finals and finals, I would like to wish all of you the very best from me and all of the members of the Executive Committee and the Management Committee. Make sure you rally the parents to provide the appropriate ACE support on the sideline with lots of red, black and white everywhere. Make sure that everyone knows that the ACE supporters are there and that our kids get the support and encouragement they deserve. I look forward to seeing some of the games in the next few weeks and hope that we win lots of finals. I encourage all players and parents even if you did not make the finals to go out and support an ACE team that will be playing.

Special thanks to the team coaches, the team Managers, our Senior Technical Team, Stephen Bryant and all the supporting Committee for a job very well done. Good luck everyone and well done.
